

Wexford Chambers to host speed networking event in Talbot Hotel

Wexford's four Chambers will join forces and host a speed networking evening on Wednesday, 5th May in the Talbot Hotel with registration at 6.15 pm. The networking sessions will be at 7.00 pm sharp.

"We have seen a huge demand from the business community for networking events, in response to this we have co-ordinated with neighbouring chambers to provide an networking evening where people will meet businesses from all over County Wexford", said Dick White, Chamber Executive, Gorey Chamber. "Networking is vital in the current climate and can really help businesses to establish solid leads, expand their contacts and help build useful business relationships."

Speed networking is networking on fast forward. It provides participants with opportunities to meet a large number of business people. The concept involves participants taking part in multiple three minute mini-meetings. Participants can then build positive relationships and explore business opportunities in follow-up meetings.

To reserve your place please contact Wexford Chamber on 053 94 84520 or email info@goreychamber.com . Cost for Chamber Members is €12 and €18 for non members. For further information see www.goreychamber.com

Places are strictly limited to one person from each company so book early to avoid disappointment.
